MY PROFILE

Pursuing a degree in Computer Science and Engineering at the Islamic University of Technology. Skilled in web design (SpringBoot, React) and competitive programming (C++, Python), with strong problem-solving abilities. Eager to expand my knowledge in cybersecurity and penetration testing. I am always enthusiastic about learning new technologies.

EDUCATION

Bachelor of CSE

Islamic University of Technology
2022 - 2026

Higher Secondary of Science

Govt. Syed Hatem Ali College, Barishal
2019-2022

Secondary of Science

Collegiate High School, Barishal
2016-2019

EXPERIENCE

Cybersecurity

- Took part in over 20 Capture the Flag (CTF) competitions.
- Achieved top performance as a first-year participant in CTF at IUT.
- Finished a 6-month internship at RedHawks Cyber Research, focusing on penetration testing for web and mobile applications.
- Currently serving as a Cyber Security Researcher at RedHawks Cyber Research, starting January 2024.

Web Development

- Full stack web developer
- Preferred technology stack: Spring Boot for the backend and React for the frontend
- Finalist at Therap JavaFest 2024

Problem Solver

- Achieved the highest Code Forces rating of 904.
- Successfully solved over 300 problems on Code Forces.
